In one of the two reports of the Committee on German, submitted to the Board of Education and published by us the other day, mention was made of monthly seemed to the submitted this afternoon of the committee o tee on German, submitted to the Board of dence on South Penn street Sunday inst, Education and published by us the other day, mention was made of monthly examination papers. With regard to this subject we take the following from a communication of the German teacher of the public schools of the First and Seventh Wards, presented to the Board of Education on the 15th of February last, viz:

"The rules of your honorable body, relating to the German Department asy, lating to the German Department asy."

ating to the German Department, say 6. In regard to method of instruction to the Amalgamated Association of Iron and Steel Workers, should have been organization and examination of classes James Matthews.

Mesars. Geo. Lane and John Glasscock

o, in regard to method of instruction, organization and examination of classes, it bey (the German assistants) will directly communicate with the Superint tendent fand Committee on German.' According to this rule, either the Superintendent of Schools or the Committee on German might have given me instructions with regard to the examination of my classes, when I commenced to teach in this city, in September last. But such was not the case.

The Superintendent of Schools, it is true, answered my inquiries, with regard to the examination of my classes, I made to him, in consequence of remarks made to him, in consequence of remarks made to him, in consequence of remarks made to him, in consequence in German told me to examine my Grammar classes and my Division A classes in German penmanship on one day at the close of the direct month, in written translations on one or two days at the close of the hird month, in written translations on one or two days at the close of the furth month, and see the translations on one or two days at the close of the fourth month, and so forth. As written examination in translations, that is from English into German and German into English, require the school time of my respective classes on two consecutive days, that plan gives fifteen examination days in the course of a school year. Is not this too much of a good thing in the line of examina-

If the above rule for examinations be If the above rule for examinations be strictly adhered to, it wall be accompanied by the following results: A scholastic year in our public schools comprises about two hundred school days. A scholar, being instructed in German thirty minutes daily, gets German matruction about one hundred hours, in the course of a scholastic year. Of this time about 15 half hours or 7½ hours would be devoted to examinations.

hours would be devoted to examinations.

Police Court.—Judge Cranmer.—Yeas
terday morning His Honor disposed of
the following cases:
John Anderson, not "My Jo John," but
a dirty tramp, was fined \$2 for drunkenness. He paid it!
Henry Henderson also paid a \$2 fine
for drunkenness.

Wm. Swann came down with \$1 and
costs on a charge of disorderly conduct.
L. Lindelberger, Patrick Quinn and
John Sims were fined \$2 and costs each
for drunkenness. The two former paid
their fines, and the latter was sent up for
thirty days.

The cases sgainst Henry Ritter, Bryan
Halpia and John Q. Adams, charged with
disorderly conduct, were continued until
this morning at 9 o'clock. Liquon Store Till. Tapped.—Last night two men entered Simon Keim's liquor store, on Market street, above lith, and one of them ordered a pint of whisky. While the clerk was getting the liquor the other man reached behind the till and gathered up about \$13 in change. Officer Defibuugh was notified, and argested both of the men at the B. & O. depot shortly afterwards. Their names are: John Fitzsimmons, alias Satchford, and Wm. Nelson, alias "Pink." Both are said to be workmen at the Riverside Mill. They were caged.

Explosion of an Oil Well.—Reports

"Eventynopy" hasn't gone away, this year as in former years. There are a great many somebodies still in town. With rare exceptions the days have not been unreasonably warm in Wheeling. With no exception the nights have been delightfully cool and refreshing. Men have to stick to their business in the day time, but fortunately there is not a great deal of business going on. ince, but fortunately there is not leave to street deal of business going on a great deal of business going on. So they really get almost as much rest even by day as those who lounge around the hot balconies of summer holels. The man who can afford to stay at home is the man to be envied these days. Those that spend the summer months away from home have a very madequate conception of the summer beauties and attractions. of the summer beau of the Ohio Valley. beauties and attractions
